

SHIVAM PRAJAPATI

Junior MERN Stack Developer / Full Stack Web Developer

Gola Gokaran Nath, Lakhimpur Kheri, Uttar Pradesh | 9616560798 | shivamprajapati.it@gmail.com | Portfolio | GitHub

PROFESSIONAL SUMMARY

Junior MERN Stack Developer with hands-on experience in MERN stack development using React.js, Node.js, Express.js, and MongoDB. Skilled in full-stack web application development, crafting responsive user interfaces, building CRUD/API functionality, and integrating databases. Focused on problem solving, database integration, and delivering clean, scalable web solutions.

TECHNICAL SKILLS

Languages: JavaScript, HTML5, CSS3

Frameworks & Libraries: React.js, Node.js, Express.js

Database: MongoDB

Developer Tools: Visual Studio Code, Git, GitHub

APIs: REST API

PROJECTS

[Multi-Vendor E-Commerce Platform \(Live | Git\)](#)

React.js · Node.js · Express.js · MongoDB · JWT · REST APIs

- Developed a full-stack multi-vendor e-commerce platform using React.js, Node.js, Express.js, and MongoDB.
- Built a three-role architecture supporting **Admin, Vendor, and Customer** workflows.
- Implemented authentication and role-based authorization using JWT and protected routes.
- Developed APIs for users, vendors, products, categories, cart, wishlist, orders, and related e-commerce operations.
- Implemented MongoDB database integration using Mongoose for structured data management.
- Built responsive interfaces for product browsing, product details, cart, wishlist, and purchasing workflows.
- Added vendor-side functionality for managing products and vendor-related operations.
- Integrated frontend and backend APIs with validation and error handling.
- Deployed the application for production use.

[Job Portal \(Live | Git\)](#)

React.js · Node.js · Express.js · MongoDB · JWT · REST APIs

- Developed a full-stack job portal using React.js, Node.js, Express.js, and MongoDB.
- Built a three-role architecture supporting **Admin, Recruiter, and User** workflows.
- Implemented JWT-based authentication, authorization, protected routes, and role-based access control.
- Developed Admin functionality for managing users, recruiters, jobs, and platform data.
- Built Recruiter functionality for creating, updating, and managing job postings and recruitment operations.
- Developed User functionality for browsing jobs, viewing job details, and interacting with available opportunities.
- Created backend APIs with CRUD operations for jobs, users, recruiters, and related data.
- Integrated MongoDB with Mongoose for efficient database management.
- Connected React frontend with backend APIs for dynamic data handling and responsive user interactions.
- Implemented form handling, validation, API error handling, and structured backend architecture.
- Deployed the application for production use.

EXPERIENCE

Web Developer Intern

Analyze Infotech · Lucknow, Uttar Pradesh · February 2025 – May 2025

- Built and enhanced a MERN Stack-based Student Information System for managing student records through a centralized web application.
- Developed secure admin authentication and role-based access to protect student and administrative data.
- Designed reusable and responsive React interfaces focused on clean navigation, usability, and consistent user experience across devices.
- Engineered complete CRUD workflows for student registration, profile management, record updates, and deletion.
- Developed and integrated Node.js and Express APIs with MongoDB for reliable data storage and retrieval.
- Implemented structured data handling and validation to maintain accurate and consistent student records.
- Connected frontend components with backend APIs to create a complete end-to-end web application workflow.
- Tested application flows, identified issues, and improved functionality to deliver a more stable and maintainable application.

EDUCATION

Master of Computer Application (MCA)

Sacred Heart Institute of Management and Technology · Sitapur, Uttar Pradesh · September 2023 – August 2025

Bachelor of Computer Application (BCA)

Sacred Heart Degree College · Sitapur, Uttar Pradesh · September 2020 – August 2023

Intermediate

Krishak Samaj Inter College · Gola Gokaran Nath, Uttar Pradesh · May 2019 – June 2020

Matriculation

Navodaya Inter College · Gola Gokaran Nath, Uttar Pradesh · March 2017 – April 2018

CERTIFICATIONS

100 Days Internship on Web Development — Analyze Infotech, Lucknow
